Mondays in the Sun

Fernando León de Aranoa

Producers: Mediapro and Elías Querejeta P.C

Script: Fernando León de Aranoa, Ignacio del Moral

Cast: Javier Bardem, Luís Tosar, Jose Ángel Egido, Nieves De Medina

In a coastal city to the north of Spain, bursting at the seams thanks to industrial development, a group of men roam its steep and winding streets day in and day out, looking for their emergency exits. They tightrope-walk their way to the end of the month, with no safety net and no audience, no clapping after the finale; they live their lives on a thin line of unstable employment, surviving because of their small joys and routines.
