Script: Ernesto Darabas y Marta Daranas

Cast: Tomás Cao, Héctor Noas y Ron Perlman

1992. The Communist block disintegrates and Cuba goes deep into its toughest crisis. Sergio, radio amateur and Marxism teacher in the Superior Arts Institute in La Habana, contacts Serguei, a Soviet astronaut left to his fate in the Mir orbital station. The friendship that arises between them is able to make the major powers react to bring the cosmonaut back to Earth.
