Ovejas eléctricas

1 season on RTVE, Spain

Producers: K2000 (The Mediapro Studio)

“Ovejas eléctricas” invites viewers into a captivating nighttime realm where literature takes center stage. Guided by our charismatic host, a renowned comedian, we set off on a journey through the timeless world of literature.

In each episode, we delve into specific topics: from imaginary worlds to heists, infidelities and dystopian worlds. Against the backdrop of a late-night studio, we break away from formality, embrace irreverence and offer an unexpected experience that combines learning and comedy. “Ovejas eléctricas” offers a fresh and innovative approach to talking about the magic of literature and proves that there are innovative ways to explore supposedly tedious topics, making them engaging, accessible and, most importantly, entertaining and ready for TV.
