B&B Magazine is a professional drama set at the news room of a weekly magazine. Pablo, a renowned journalist working abroad, comes back to take charge of the magazine and try to relaunch it. All the staff will have to get used to him and his way of working, but mainly Candela, the deputy manager. Candela and Pablo had a relationship long time ago, he abandoned her from one day to the next going abroad so she could never tell him she was pregnant. They haven't seen each other since and now he is engaged with the Editorial Group president's daughter. Both of them and the other members of the team will have to face different conflicts in the personal and professional fields.
