Tales from the void

Francesco Loschiavo John Adams Maritte Lee Go Joe Lynch Toby Poser

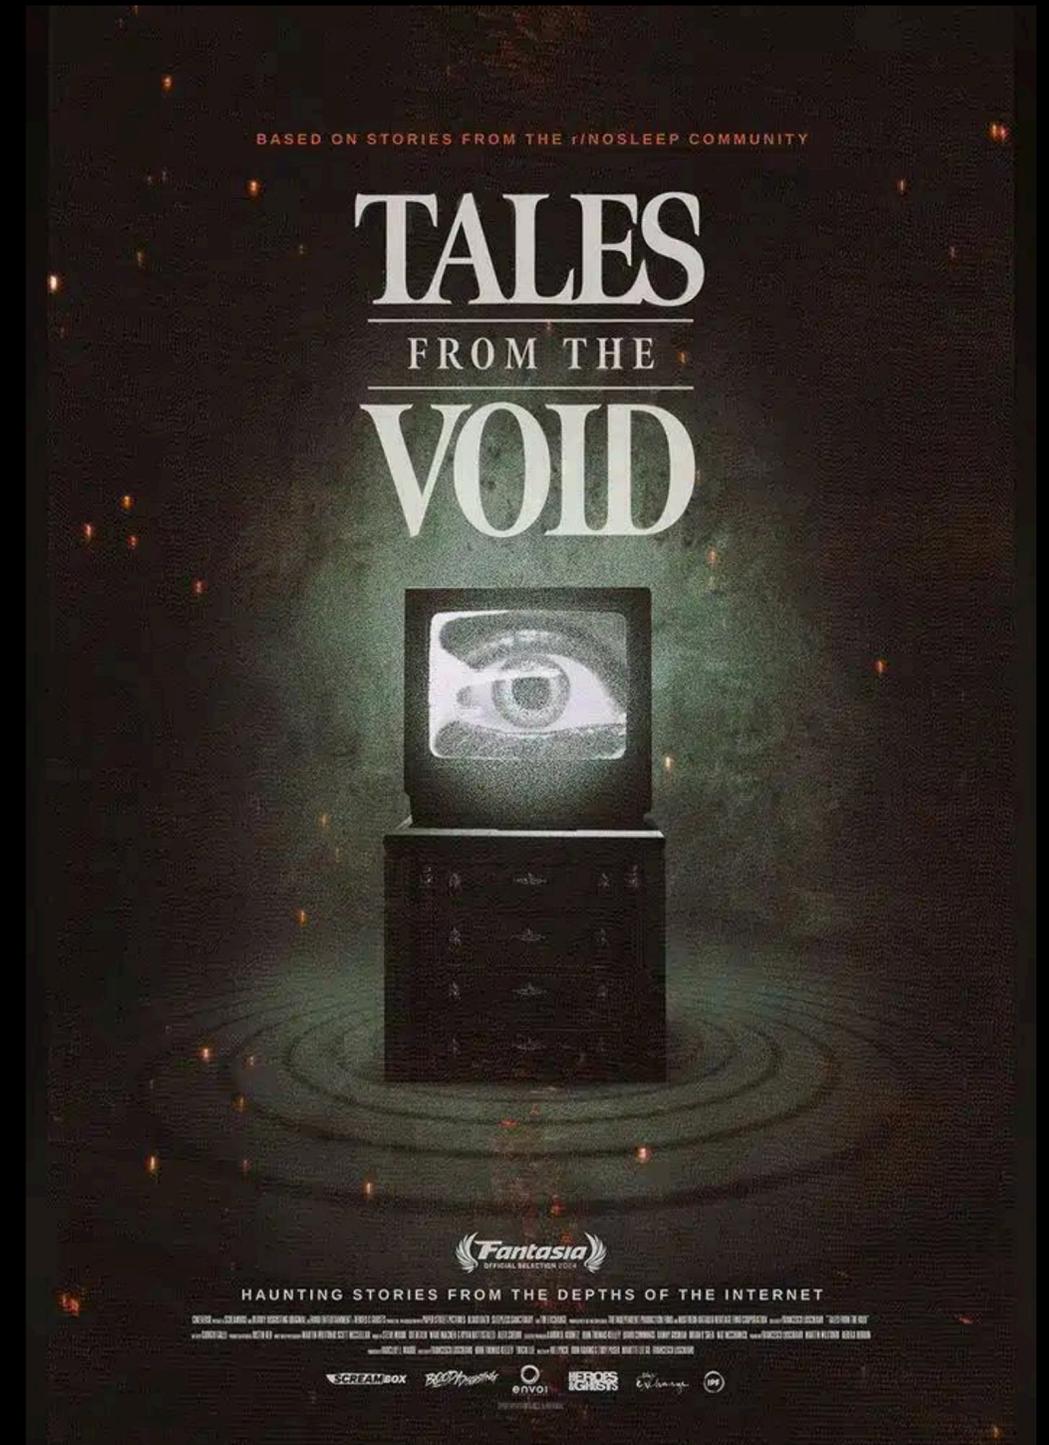

Producers: Envoi Entertainment, Paper Street Pictures, Blood Oath, Rusty Halo Productions, Heroes and Ghosts, Sleepless Sanctuary.

Script: Francesco Loschiavo

Cast: Mpho Koaho, Beatrice Schneider, Andi Hubick

Tales from the Void is an episodic horror anthology series that is both thought-provoking and terrifying. Based on the most viral and haunting stories from the r/NoSleep community, each tale provides biting social commentary while delving into the darker side of the human psyche. Designed to stay with you long after viewing Tales from the Void does not shy away from controversial subject matter that has historically been banished to the corners of the internet... until now.
