**Script:** Daniel Burman

**Cast:** Benjamín Vicuña, Violeta Urtizberea, Rita Cortese, Andrea Frigerio, Martín Seefeld

Ariel, a successful comic book artist trapped in the very life he built for himself: the demands of five children, the constant attention of his parents, and a social life that suffocates him. When a doctor forbids him from lifting more than three kilos due to a hernia, that small physical limitation becomes the starting point of a comic and revealing journey: what is it that truly weighs us down in life?
