# Comandante

**Direction:** Oliver Stone

**Script:** Álvaro Longoria, Oliver Stone, José Ibáñez

**Producers:** Mediapro, Pentagrama Films, Morena Films

An intimate, human portrait of Fidel Castro after three days of filming in Havana, based on over 30 hours of interviews and conversations with the Cuban leader. With Castro, Oliver Stone creates an up-close feeling, with previously unheard-of reflections on the state of his government, the current international political situation and revelatory details about the history of the 20th century.
