In search of significance and social prestige, a billionaire businessman decides to make a film to leave his mark. To do so, he hires the best: a stellar team formed by famous filmmaker Lola Cuevas (Penélope Cruz) and two renowned actors, both enormously talented, but with even bigger egos: the Hollywood actor Félix Rivero (Antonio Banderas) and radical theater thespian Iván Torres (Oscar Martínez). Both legends, but not exactly the best of friends. Through a series of increasingly eccentric challenges set by Lola, Felix and Iván must face not only each other, but also their own legacies.

Official selection at the 2021 Venice Biennale.

Presented in the Perlak Section at the San Sebastian Film Festival and at the Toronto International Film Festival.
