Producers: Globomedia (The Mediapro Studio), Atresmedia

A female judge arrives in the remote mountain village of Calenda hoping to rebuild her life alongside her husband and their daughter. Her husband's murder is the first of a series of strange deaths that devastate the area. The judge searches desperately for the truth while her teenage daughter falls in love with their mysterious neighbor. Both women will come to accept that the old legends about werewolves are more than just a myth.
